**Subject:** HIA Items

Hi Alan,

Happy Wednesday! Checking in about a couple of items related to our health impact assessment:

- Have you heard from the EPA team about whether there's any support available to help facilitate community meetings?
- Any updates on the status of your air report? The City has continued discussions on our side and would love to speak with you - maybe on Friday? - about the release plans. Is there a good time for us to discuss?

-mc

**Megan Cunningham**
